John Connolly
Chairman

Dear Shareholder

I look forward to welcoming you to the 2017 G4S plc Annual General Meeting at the Holiday Inn, Sutton on Thursday, 25 May 2017. The meeting will start at 2pm. This meeting is held to enable the company's owners to formally receive the company's accounts for 2016 and of course to have their say on the way their company is run on their behalf. A detailed review of the year can be found in the G4S plc 2016 Integrated Report and Accounts which is available at www.g4s.com/investors.

This Notice of Annual General Meeting sets out the business to be conducted at the meeting. Your directors are of the view that all resolutions that are to be proposed at the Annual General Meeting are in the best interests of the company and its shareholders and therefore recommend unanimously that you vote in favour of the resolutions.

The performance of the board and of each director is reviewed annually and each director in post during 2016 has made a substantial contribution to the leadership and governance of the company during the year and continues to be effective and committed to the company's success. Ian Springett, who was appointed to the board on 1 January 2017 but has had to take an extended leave of absence in order to undergo treatment for a medical condition, remains keen to take up his role as soon as possible. The board is confident that Mr Springett's skills and experience represent very valuable additions to the board and accordingly unanimously support his standing for election. A brief biography of each of the directors is set out in the Appendix to this Notice. Each is standing for election or re-election as the case may be.

Please read the Important Information about attending the Annual General Meeting, which is at page 6 of this Notice. It describes the security measures and requirements which will be in place to ensure that your meeting is conducted in an orderly manner, which is in the interest of all shareholders. Please note that you will not be permitted to take any bags or baggage into the meeting, so all items, including briefcases and handbags, will need to be left in the cloakroom or in lockers provided at the venue.

We are aware that a growing number of shareholders hold their shares through brokers and nominees. As those shareholders' names do not appear on our register, additional documentation is required for them to attend the Annual General Meeting. These requirements can be found in the Notes to this Notice which are at page 5 of this Notice.

Your votes do matter. Information about how to vote and attend the meeting is given on pages 5 and 6 of this Notice. If you cannot attend the meeting, please vote by appointing a proxy.

I look forward to seeing you at the Annual General Meeting.

Yours sincerely

John Connolly
Chairman

Recommendation and explanatory notes relating to business to be conducted at the Annual General Meeting on 25 May 2017

The board of G4S plc considers that the Resolutions set out in this Notice are likely to promote the success of the company and are in the best interests of the company and its shareholders as a whole. The directors unanimously recommend that you vote in favour of the Resolutions as they intend to do in respect of their own beneficial holdings. The ordinary resolutions (Resolutions 1 to 17 and 21) will be passed if there are more votes cast for the resolution than those cast against it. The special resolutions (Resolutions 18, 19, 20 and 22) will be passed if at least 75% of the votes cast for and against the resolution are in favour:

Financial statements of the company (Resolution 1)

The chairman will present the financial statements of the company for the year ended 31 December 2016 and the reports of the directors and auditor thereon to the Annual General Meeting.

Remuneration (Resolutions 2 & 3)

Resolution 2 is the resolution to approve the Directors' Remuneration Policy as set out on pages 80 to 88 of the Directors' Remuneration Report in the company's 2016 Integrated Report and Accounts for the year ended 31 December 2016. This part of the report contains the policy in relation to future payments to the directors and former directors which is subject to a binding shareholder vote by ordinary resolution every three years (the current policy having been approved by shareholders at the company's Annual General Meeting in 2014). As noted on page 97 of the Report, the new policy will, if approved, commence on 26 May 2017. If the new Directors' Remuneration Policy is not approved,

Notice Period for General Meetings Other Than AGMs

22. That a general meeting of the company, other than an Annual General Meeting, may be called on not less than 14 clear days' notice.

By order of the board

Company Secretary

Company No. 4992207

the Directors' Remuneration Policy approved at the company's Annual General Meeting in 2014 will continue to apply. It should be noted that there are no material changes to the existing policy in the new policy which shareholders are being asked to approve at the company's Annual General Meeting in 2017.

Resolution 3 is the resolution to approve the Directors' Remuneration Report, other than the part containing the Directors' Remuneration Policy. As this is an advisory resolution, it does not affect the future remuneration paid to any director:

Final dividend (Resolution 4)

A final dividend of 5.82p (DKK 0.5029) per ordinary share for the year ended 31 December 2016 is recommended by the directors for payment. If the recommended final dividend is approved, it will be paid on 9 June 2017 to all ordinary shareholders who were on the register of members at the close of business on 28 April 2017.

Election and re-election of directors (Resolutions 5 to 14)

Resolutions 5 to 14 deal with the election and re-election of directors. Steve Mogford, Ian Springett and Barbara Thoralfsson offer themselves for election as directors of the company. Ashley Almanza, John Connolly, John Daly, Winnie Kin Wah Fok, Paul Spence, Clare Spottiswoode and Tim Weller offer themselves for re-election in accordance with the requirements of the UK Corporate Governance Code which provides for all directors of FTSE 350 companies to be subject to re-election by shareholders every year. Biographies of each of the directors seeking election or re-election are set out in the Appendix to this Notice.

Recommendation and explanatory notes related to business to be conducted at the Annual General Meeting on 25 May 2017 *continued*

With the exception of Ian Springett, the board has confirmed, following a performance review, that all directors standing for election or re-election continue to perform effectively and demonstrate commitment to their roles. Ian Springett, who was appointed in January 2017 was unable to take on the role of Audit Committee chair due to the onset of a medical condition, although he remains on the board. The board is confident that Mr Springett's extensive international experience in the energy sector, as well as his skills as a serving CFO of a FTSE company represent very valuable additions to the board and accordingly unanimously support his standing for election.

Appointment of auditor and auditor's remuneration (Resolutions 15 and 16)
Resolution 15 relates to the re-appointment of PricewaterhouseCoopers LLP ("PwC") as the company's auditor to hold office until the next Annual General Meeting of the company. Resolution 16 authorises the Audit Committee of the Board to set the auditor's remuneration.

The G4S group audit was put out to tender in 2014. PricewaterhouseCoopers LLP (PwC) was appointed the Group's new external auditor for the 2015 financial year. PwC was subsequently re-appointed at the 2016 Annual General Meeting to hold office until the next Annual General Meeting. Further details are set out on page 77 of the 2016 Integrated Report and Accounts.

Authority to allot shares (Resolution 17)
Resolution 17 seeks shareholder approval for the directors to be authorised to allot shares. At the last Annual General Meeting of the company held on 26 May 2016, the directors were given authority to allot ordinary shares in the capital of the company up to a maximum nominal amount of £258,598,000. This authority expires at the end of this year's Annual General Meeting. Of this amount 517,196,000 shares could only be allotted pursuant to a rights issue.

Resolution 17 will, if passed, renew this authority to allot on the same terms as last year's resolution. The board considers it appropriate that the directors be granted the same authority to allot shares in the capital of the company up to a maximum nominal amount of £258,598,000, representing a little under two thirds of the company's issued ordinary share capital as at 28 March 2017 (the latest practicable date prior to publication of this Notice). Of this amount, 517,196,000 shares, representing a little under one third of the company's issued ordinary share capital can only be allotted pursuant to a rights issue. The authority will last until the conclusion of the next Annual General Meeting in 2018 or, if earlier, on 24 August 2018. The directors do not have any present intention of exercising this authority.

As at the date of this Notice, the company does not hold any ordinary shares in the capital of the company in treasury. However, the 4,844,243 shares held within the G4S Employee Benefit Trust and referred to on page

157 of the company's 2016 Integrated Report and Accounts (Note 36 to the Consolidated Financial Statements) are accounted for as treasury shares.

Authorities for the Disapplication of Statutory Pre-emption Rights (Resolution 18 & 19)
Under section 561 of the Companies Act 2006, if the directors wish to allot shares for cash (other than in connection with an employees' share scheme) they must in the first instance offer them to existing shareholders in proportion to their holdings (a pre-emptive offer). There may be occasions, however, when the directors will need the flexibility to finance business opportunities by the issue of ordinary shares without a pre-emptive offer to existing shareholders. These disapplication authorities are sought in Resolution 18 and Resolution 19 in line with institutional shareholder guidance, and in particular with the Pre-emption Group's Statement of Principles (the "Pre-emption Principles").

Resolution 18 seeks shareholder approval to give the directors authority to allot equity securities in the capital of the company pursuant to the authority granted under Resolution 17 for cash without complying with the pre-emption rights procedures and requirements in the Companies Act 2006 (the "Act") in certain circumstances. This authority will permit the directors to allot:

- (a) equity securities up to a nominal amount of £258,598,000 (representing approximately two thirds of the company's issued share capital) on an offer to existing shareholders. However unless the shares are allotted pursuant to a rights issue (rather than an open offer), the directors may only allot shares up to a nominal amount of £129,299,000 (representing a little under one third of the company's issued share capital) (in each case subject to any adjustments, such as for fractional entitlements and overseas shareholders, as the directors see fit); and
- (b) equity securities up to a maximum nominal value of £19,394,000 representing approximately 5% of the issued ordinary share capital of the company as at 28 March 2017 (the latest practicable date prior to publication of this Notice) otherwise than in connection with an offer to existing shareholders.

Resolution 19, in accordance with the Pre-emption Principles revised in 2015 (and supplemented in 2016), provides an additional authority for an issue of shares otherwise than in connection with a pre-emptive offer in relation to a further 5% of the company's issued ordinary share capital, provided that the additional 5% authority is used only in connection with an acquisition or specified capital investment which is announced contemporaneously with the issue, or which has taken place in the preceding six-month period and is disclosed in the announcement of the issue. The directors believe that it is appropriate

to seek this additional 5% authority in Resolution 19 to give the company the flexibility that this resolution affords.

The directors confirm, in accordance with the Pre-emption Principles, that they do not intend to issue shares for cash representing more than 7.5% of the company's issued ordinary share capital in any rolling three-year period other than to existing shareholders, save as permitted in connection with an acquisition or specified capital investment as described above, without prior consultation with shareholders.

As noted in relation to Resolution 17 above, the directors have no current intention of exercising this authority.

The authorities contained in Resolution 18 and 19 will expire upon the expiry of the general authority conferred by Resolution 17 (i.e. at the conclusion of the next Annual General Meeting of the company or, if earlier, on the 24 August 2018).

Purchase of own shares (Resolution 20)
Resolution 20 seeks to renew the company's authority to buy back its own ordinary shares in the market as permitted by the Act. The authority limits the number of shares that could be purchased to a maximum of 155,159,000 (representing a little less than 10% of the company's issued ordinary share capital as at 28 March 2017 (the latest practicable date prior to publication of this Notice)) and sets minimum and maximum prices. This authority will expire at the conclusion of the company's Annual General Meeting in 2018.

The directors have no present intention of exercising the authority to purchase the company's ordinary shares but will keep the matter under review, taking into account the financial resources of the company, the company's share price and future funding opportunities. The authority will be exercised only if the directors believe that to do so would result in an increase in earnings per share and would be in the interest of shareholders generally. No shares were purchased pursuant to the equivalent authority granted to the directors at the company's last Annual General Meeting.

As at 28 March 2017 (the latest practicable date prior to the publication of this Notice), there were no options over the ordinary shares in the capital of the company.

Political donations (Resolution 21)
Resolution 21 deals with the rules on political donations contained in the Act. Under these rules, political donations to any political parties, independent election candidates or political organisations or the incurring of political expenditure are prohibited unless authorised by shareholders in advance. What constitutes a political donation, a political party, a political organisation, or political expenditure is not easy to decide as the legislation is capable of wide interpretation. Sponsorship, subscriptions, payment of expenses, paid leave for employees

fulfilling public duties and support for bodies representing the business community in policy review or reform, may fall within this.

Therefore, notwithstanding that the company has not made political donations requiring shareholder authority in the past, and has no intention either now or in the future of making any such political donation or incurring any such political expenditure in respect of any political party, political organisation or independent election candidate, the board has decided to put forward Resolution 21, which is the same as the resolution on this subject which was passed at the company's Annual General Meeting held on 26 May 2016. This will allow the company to support the community and put forward its views to wider business and government interests without running the risk of being in breach of the law. This authority will cover the period from the date Resolution 21 is passed until the conclusion of the next Annual General Meeting of the company. As permitted under the Act, Resolution 21 also covers political donations made, or political expenditure incurred, by any subsidiaries of the company.

Period of notice for calling general meetings (Resolution 22)

Resolution 22 is a resolution to allow the company to hold general meetings (other than Annual General Meetings) on 14 days' notice.

The minimum notice period permitted by the Act for general meetings (other than Annual General Meetings) is 21 days. However the Act allows companies to reduce this period to 14 days (other than for Annual General Meetings) provided that two conditions are met. The first condition is that the company offers a facility for shareholders to vote by electronic means. This condition is met if the company offers a facility, accessible to all shareholders, to appoint a proxy by means of a website. The second condition is that there is an annual resolution of shareholders approving the reduction of the minimum notice period from 21 days to 14 days.

The board is therefore proposing Resolution 22 as a special resolution to approve 14 days as the minimum period of notice for all general meetings of the company other than Annual General Meetings. The approval will be effective until the company's next Annual General Meeting, when it is intended that the approval be renewed.

The board will consider on a case by case basis whether the use of the flexibility offered by the shorter notice period is merited, taking into account the circumstances, including whether the business of the meeting is time sensitive, and will balance that against the need for shareholders to consider their voting decisions, particularly where the proposals concerned are complex and may require more time for proper evaluation.

NOTES

Entitlement to attend and vote and to appoint proxies

1. To be entitled to attend and vote at the Annual General Meeting (and for the purpose of the determination by the company of the votes they may cast), shareholders must be registered in the Register of Members of the company at close of business on 23 May 2017 (or, in the event of any adjournment, at close of business on the date which is two working days before the time of the adjourned meeting). Changes to the Register of Members after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the meeting.

2. Shareholders are entitled to appoint a proxy to exercise all or any of their rights to attend and to speak and vote on their behalf at the meeting. A shareholder may appoint more than one proxy in relation to the Annual General Meeting provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. A proxy need not be a shareholder of the company. A proxy form which may be used to make such appointment and give proxy instructions accompanies this Notice or will have been sent to you separately by post unless you have elected to receive shareholder communications electronically. Proxy instructions may also be given by using the registrar's share portal at www.capitashareportal.com.

3. Details of how to appoint a proxy are set out in the notes to the proxy form. In order to be valid, an appointment of proxy must be returned with any power of attorney or any other authority under which it is executed, by one of the following methods: in hard copy form by post to Capita Asset Services, PXS 1, 34 Beckenham Road, Beckenham, Kent BR3 4ZF; in hard copy form to that address by courier or by hand during usual business hours; or, in the case of CREST members, by utilising the CREST electronic proxy appointment service as described in paragraphs 7 and 8 below. In each case the form of proxy must be received by the company no later than 2pm on 23 May 2017. To change your proxy instructions you may return a new proxy appointment using the method set out above. The deadline for receipt of proxy appointment also applies in relation to amended instructions. Persons listed on the VP Securities register should follow the instructions on their Voting Request Form.

4. The return of a completed proxy form, other such instrument or any CREST Proxy Instruction will not prevent a shareholder attending the Annual General Meeting and voting in person if he/she wishes to do so.

5. Any person to whom this Notice is sent who is a person nominated under section 146 of the Act to enjoy information rights (a "Nominated Person") may, under an agreement between him/her and the shareholder by

whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the Annual General Meeting. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights.

6. The statement of the rights of shareholders in relation to the appointment of proxies in paragraph 2 above does not apply to Nominated Persons. The rights described in that paragraph can only be exercised by shareholders of the company.

7. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual (available via www.euroclear.com/en/about/our-rules.html). CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

8. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instruction, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA10) by 2pm on 23 May 2017. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

9. CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is

transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

10. The company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

11. Voting on all Resolutions will be conducted by way of a poll rather than a show of hands.
